DISCUSSIONS/COMMENTS

Cont.. 33-director stated none of her staff have completed it yet. Inspector could not determine if all staff are meeting the 1% PD requirement as a result of all PD not being documented on file. Most staff do not have any 2024 PD on file. 35-Health consultant logs do not include documentation of completion of all responsibilities. Checklist is limited. All new regulations will be reviewed via TEAMS at director's convenience next week. Several handouts provided at inspection, including new policy checklist.

NOTE: * Items left blank on this form were not monitored during this visit. * Only the regulations marked as compliant, non-compliant or not applicable were monitored or discussed. * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
