DISCUSSIONS/COMMENTS

Discussed:
 That provider is only allowed to have 9 full time children, as was discussed at follow up on 9-5-2025 and the initial investigation date on 8-21-2025
 Provider was reminded that only approved staff can care for the children.
 OEC staff reminded provider that she must always be in compliance with her capacity and all regulations regarding her license.
 Provider said she called parent of one child on site who gave permission to have another approved provider pick her up to care for her (License DCFH #58200), this allowed provider to come into compliance during the visit.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only regulations marked as pending, substantiated or non-substantiated were monitored or discussed.
