DISCUSSIONS/COMMENTS

#88 continued: trim coming off wall in fire station in school room, dust build up on floor of preschool 3
 Discussions:
 1) new Regs
 2) Program must update policies to reflect new requirements in new regulations dated 10/2024. Policy review checklist provided
 3) Program must use all toys, equipment and furniture per manufacturer guidelines
 4) Screen time for over 2 only for limited educational and physical activity use only
 5). Toddler 2 toilet had lots of paper in the toilet per staff waiting for it to be taken care of
 6) School age room was observed to have over 18 boxes of supplies within the room -taking up licensed capacity space
 7) 2 Individual care plans only signed by 4 staff which includes director and assistant director- regulations states all staff responsible for child's care
 8) logs for health consultant signatures are photo copies not originals
 9) administrative oversight and new complaint procedure must be posted
 10) 1 out of 12 child files missing documentation of flu shot
 11) age appropriateness of the villages for School Age classrooms

NOTE: * Items left blank on this form were not monitored during this visit. * Only the regulations marked as compliant, non-compliant or not applicable were monitored or discussed. * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
