DISCUSSIONS/COMMENTS

Discussed the gates needed outside and basement. Provider stated she will be measuring wall in basement and exit stairway outside to purchase appropriate fitting gates. Provider will send a photo to specialist when gate is ordered and when gates are installed. During inspection it was raining outside and provider understand she may not utilize gross motor room in basement until gate is installed. Provider stated she will bring gross motor toys upstairs for play.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Items left blank on this form were not monitored during this visit. Only the regulations marked as compliant or non-compliant were monitored or discussed. Providers are required by statutes and regulations to be in compliance at all times.
- **APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.**
