This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025: 2017.

This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system

(refer to joint ISOILAC-IAF Communiqué dated April 2017).

Not all results and/or analytes reported are obtained for ISO accredited testing methods.

Please refer to our ISO certificate for a full list of testing under our scope of accreditation.
