DISCUSSIONS/COMMENTS

There is sufficient space for a capacity of 6 +1. Care will be provided in parts of the dining room and the living room, there is also a bedroom on the third floor (house is a duplex) that will be used for napping of infants. First floor belongs to another family. Emergency exit will be the window to the right side of the dining room, and an escape ladder will be used to exit the building in case of an emergency.
