DISCUSSIONS/COMMENTS

Licensed provider was not present in either video observed. Discussed non-transferability of license. Provider can not be absent from program for more than one hour a day and should be primary caregiver to the children under the family license.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only regulations marked as pending, substantiated or non-substantiated were monitored or discussed.
