DISCUSSIONS/COMMENTS

Provider does not have any children enrolled in her program at this time. Therefore, she is currently employed outside of her home. The provider will cease working outside of the home upon enrollment of children in her program. Provider understands she must maintain current certifications for first aid and CPR training to stay in compliance with licensing regulations. Provider shared that she will renovate a space in the basement, the area where she will care for enrolled children, to create a bathroom. Provider understands that she must secure her municipality's required permits in order to begin construction. Provider also understands that the area must be inspected by the appropriate authorities prior to use for child care.
