**DISCUSSIONS/COMMENTS**

Discussed with owner the concerns in the report. Discussed that a staff reported sitting children with music videos for 30 minutes at end of day. Current location does not have any tablets to access videos according to owner. Discussed allowing children to move freely about the room and monitoring appropriate amounts of time that children are asked to sit still. Ask educational consultant for guidance on age appropriate expectations (1 year old children should not be expected to sit for snack and then a 20 minute circle time).

Were Violations cited during this visit? Y or N?	<b>No</b>	<b>NOTE:</b> * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
