DISCUSSIONS/COMMENTS

Change of Address inspection completed today. Provider resides on the first floor and will be utilizing the living room and dining room area for child care. Provider does reside on a busy street but she has an enclosed outdoor play area set up for the children. Discussed: making sure any new children who enroll 1/01/26-3/31/26 provide proof of flu vaccine before starting care. **The only child present today was the provider's 3 year old son.

IMPORTANT NOTES

- *It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.*
- *Only the regulations marked as compliant or non-compliant were monitored or discussed.*
- ***APPLICANTS** –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.*
