DISCUSSIONS/COMMENTS

Outdoor playground not fully monitored due to snow covering the entire playground. No bodies of water were observed. Provider stated that the large tree branch which recently fell onto the playground will be removed soon and children will not play near it. A follow-up inspection will occur to fully inspect the outdoor playground as soon as weather permits. Any violations cited during the follow-up inspection will need to be corrected immediately. Discussed Individual Plans of Care with provider and supplied her with a blank copy of the form. Also gave provider a sample administration of medication policy form.
