DISCUSSIONS/COMMENTS

Discussed new regulations & provided information on accessing sample policies/ coordinating checklist to comply with October 2024 regulations. Program advised that the Town of Groton/ City of Groton is now entirely in EPZ zone & must have KI pills & permission forms for all children in care. 1 substitute is now staff as of 1-15-26 & will need health/ safety training within 90 days. Observed staff bathroom vent to be dusty. Shock absorbing material was snow covered during inspection. Program responsible for maintaining 8in under gross motor equipment at all times.

NOTE: * Items left blank on this form were not monitored during this visit. * Only the regulations marked as compliant, non-compliant or not applicable were monitored or discussed. * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
