DISCUSSIONS/COMMENTS

No children enrolled at this time. Discussed regulation requiring all adult household members to have a current adult medical statement and current background checks on file. Provider's son will turn 18 years old this year. Provider understands she must maintain his adult medical statement and evidence of his current background checks on file once he turns eighteen. Specialist encouraged her to begin the background check process 6 months prior to his eighteenth birthday.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS** –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
