**DISCUSSIONS/COMMENTS**

~Reduced capacity due to reduced outdoor space designed as the outdoor play area for the children. Applicant, upon approval, will be using the deck for outdoor play/activities. There is space at ground level, but applicant stated she will not be using it with the children for now, until she installs a division in the backyard, as the area is shared with the neighbors' house. She added that the line goes through the middle of the backyard. A swing set was observed on the neighbors' side. ~ Applicant plans on using the front room and area right in front of the door, as childcare areas for indoor care. \_\_~ Two sleep sacks and flyers with information on safe sleep for children in child care programs were given to applicant today.
