<b>DISCUSSIONS/COMMENTS</b>					
<p>During the visit, the provider requested an increase in capacity because she removed the hallway walls, expanding the area. She handle. The OEC representative reviewed the area and observed that she has space for 6 regular and 3 school-age children. The capacity will be granted for 6/3 children. She submitted a notification of change form. Because the house is multifamily (two apartments) the provider's address will be clarified as 446 Second Ave. 1st. Floor, West Haven, CT. 06516. The provider reviewed each one of the OEC regulations including safe sleep, capacity, infant and toddler restrictions, supervision, enrollment and permission forms, medication, record keeping, diapering, background checks, electrical safety, emergency evacuation drill, freedom of hazard, and more. She recieved safe sleep in daycare.</p>
