SUBSTANTIATED VIOLATIONS

Statute and/or Regulation and Description:	[19a-79-3a(a)]	002-Ensuring the safety & health of children
---	----------------	--

Program not in compliance with ensuring the safety, health and development of the children when a strong unknown odor was in a classroom and the program moved the children to a different classroom not knowing if the fumes were hazardous or not. The program opened doors to ventilate the area and called management for assistance. Fumes were found to be from a strong carpet glue that is hazardous to children. 911 was not called nor parent notified. The exposure was at a minimum of four hours.

Statute and/or Regulation and Description:	[19a-79-3a(d)(2)-(7)]	011-Policies- complete, implemented
---	-----------------------	-------------------------------------

Program not in compliance with maintaining policies when there emergency plans for a chemical spill (chemical fumes were smelt by the staff) was not followed when policy states "may require evacuation due to toxic fumes." The program only ventilated the building and moved the children to a different classroom.

Statute and/or Regulation and Description:	[19a-79-4a(d)(5)-(A-B)]	029- Group size
---	-------------------------	-----------------

Program not in compliance with maintaining a group size not exceeding 20 children when program admits that they had up to 32 children in one classroom for around four hours.

Statute and/or Regulation and Description:	[19a-79-7a(b)(1-5)] 064-New construction/expansion/renovation/conversion
<p>Program not in compliance with ensuring the compliance with standards established by the State of CT Public Health Code when there emergency plans faculty was unaware of construction in the building that resulted in toxic fumes spreading into the childcare space.</p>
