DISCUSSIONS/COMMENTS			
- Per reporter there is peeling paint in the infant room behind the cribs. Today I observed some spots in the infant room that had bare spots but no actively peeling paint. Also observed some spots that had peeling paint but had clear tape over those spots protecting it from the kids accessing it._- Swiffer mops observed stored on the ground in bathroom with the cleaning solution in the mop making it accessible.			
Were Violations cited during this visit? Y or N?		No	NOTE: * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
