**DISCUSSIONS/COMMENTS**

Discussed the following with the applicant: Pool fence (deck side) observed at 3 feet. Applicant stated she has pulled permits to expand daycare area/addition of daycare room. Applicant understands she will send Notification of Change to OEC within 5 business days of renovation starting. New area will need to be inspected before use of new childcare area. Gate to pool not locked. Applicant stated she is purchasing one today. Observed fence to child's outdoor play area open. Observed fencing/gate for area on side of house. Per Applicant, she removed the gate/fence pieces for yard to be mowed and then the snowstorm occurred. Once snow has melted the fence will be placed back, to keep road and front yard inaccessible to children. Bannister guard will arrive today, per applicant. Observed bannister in children's indoor play area with slats measuring 5 1/4 inches.
