**DISCUSSIONS/COMMENTS**

Provider discussed that renovations are not complete in kitchen. Once renovations are done, provider will notify OEC if she wants to use parts of the main living space for child care & and an inspection will need to occur before use. Also discussed using products per manufacturer's guidelines. A follow-up inspection will occur to inspect the outdoor play space once weather permits. Any violations cited during the follow-up inspection will need to be corrected immediately.

**IMPORTANT NOTES**
