--	-----------------------------------	-------------

Program not in compliance with maintaining proper staff/child ratios when preschool 8 was observed to be at an 11:1 ratio on 1/30/26 from 9:14am to 9:24am when a staff member moved a child into the classroom putting that teacher over by one. 2 other staff members were observed walking into the classroom while it was over and not taking a child. Classroom teacher that was over did not call administration for help with being over. Per staff there were multiple classrooms out of ratio that week in the mornings.
