**DISCUSSIONS/COMMENTS**

Upon arrival the provider was observed in the two bedroom apartment by herself. Care will be provided in the living room, dining room, and bedroom to the right of the bathroom. Emergency exit is located near the kitchen and leads directly to the outside play area. The outside play area was observed to be covered with snow, however, the provider stated there are no hazardous items or openings in the surface. The surface to the outdoor play area is made out of a rubber mat. The capacity will remain the same 6 + 3. The provider plans to apply for the Large Family in the future.
