DISCUSSIONS/COMMENTS

Provider's husband/substitute was home during inspection. Discussed purpose of Individual Plan of Care form and supplied provider with a blank copy. Also supplied provider with an Authorization for the Administration of Non-Prescription Topical Medication form and a Written Permission form and discussed that the same permissions need to be present on forms that she creates. A follow-up inspection will occur when weather permits to monitor the snow covered outdoor play space.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Only the regulations marked as compliant or non-compliant were monitored or discussed.
- **APPLICANTS** –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.
