DISCUSSIONS/COMMENTS

Discussed written log of emergency evacuation drills completed vs a written schedule created for the year, prior to completing the drills. CAP received today at the end of the visit. Option for a Technical Assistance after 2/3 months after approval, was discussed with applicant. She will contact the specialist if interested on having one.

IMPORTANT NOTES

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Items left blank on this form were not monitored during this visit. Only the regulations marked as compliant or non-compliant were monitored or discussed. Providers are required by statutes and regulations to be in compliance at all times.
- **APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.**
