DISCUSSIONS/COMMENTS

Discussed outdoor play. The outdoor snow covered space was observed safe and sufficient. The front yard, including the walkway, and driveway is being used for outdoor play. Riding toys, balls, and chalk, spinners and games are provided for outdoor play. No snow was observed on the walkway and driveway during the Inspection. Per provider grass only is under the snow in front yard. The Provider goes on field trips to parks, beaches, and the library. No body of water is on the property. The above ground pool was removed from the providers home. A change form was obtained at the Inspection.
