DISCUSSIONS/COMMENTS

*Comments about outdoor space continued: The deck is temporarily approved for outdoor play space until April 30, 2026 for the current capacity of 4 children. A follow-up inspection will occur to inspect the backyard for safety by April 30, 2026. The stairs at the bottom of the deck will need to be inaccessible at that time and children should not have access to any construction areas or building materials. ___Provider stated that care will be done on the first floor of the home only. ___Discussed Individual Plans of Care and supplied provider with a blank copy. Also supplied provider with a blank copy of Authorization for the Administration of Medication form and a sample Administration of Medication policy.

IMPORTANT NOTES

- *It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.*
- *Only the regulations marked as compliant or non-compliant were monitored or discussed.*
- *APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.*
