DISCUSSIONS/COMMENTS

Preschool room has a microwave with rust inside. Toddler bathroom has dusty ceiling. Staff professional development logs need to indicate training topics not just indicating "staff meeting". One staff missing health and safety course requirement. 3 in 1 combo authorization/individual care plan form needs parent address and phone number. Antiseptic cleansing spray cannot be used in First Aid Kit. Photos taken at inspection.

NOTE: * Items left blank on this form were not monitored during this visit. * Only the regulations marked as compliant, non-compliant or not applicable were monitored or discussed. * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
