DISCUSSIONS/COMMENTS

Have parents/guardians review enrollment/written permissions annually for any changes. Discussed: 1 household member turns 18 in April 2026; spoke with provider concerning criminal background check and adult medial statement needing to be completed. EpiPen training expiring 11/01/2026. Provider has an above ground pool; specialist reminded her that pool height should always measure at least 48 inches (4 feet) in height all the way around and now with Spring/Summer she will want to ensure that the rain does not affect the soil/rocks around it which could affect pool height.

IMPORTANT NOTES

* It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
 * Only the regulations marked as compliant or non-compliant were monitored or discussed.
