DISCUSSIONS/COMMENTS

Small sticky spot observed on front right corner of rug in Sprouts-rear classroom. Front bathroom in middle hall observed to have a 2 inch piece of missing tile laminate from side of sink missing, revealing exposed piece of porous wood. Program submitted notification of change for a new climber on the over 3 playground in June, 2025. Inspected climber, observed sufficient shock absorbing materials, documentation equipment installed per manufacturers guidelines. Observed fence to be less than four feet. (Cited in inspection report). Operator posted admin oversight policy during inspection. Reviewed new regulations and shared resources on the OEC website. Director enrolled in 3 credit course, send copy of certificate when completed. Gate to parking lot, from palyground area to remain closed when children are in attendance due to the water access from parking lot.
