DISCUSSIONS/COMMENTS

Discussed: - Nurse consultant agreement may be updated with additional support (to include 3 nurses who current work at the adjoining private school). - Local health was able to locate full lead management plan including that 6 inches of soil abatement means that soil does NOT need to be monitored for lead moving forward. Program to keep documentation on file.

Were Violations cited during this visit? Y or N?	No	NOTE: * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
