**DISCUSSIONS/COMMENTS**

During this visit the applicant added one new household member, an infant, and two adults, household members/ tenants, not previously included as part of her application. Applicant submitted a notification of change during the visit, and forms were reviewed for all of them. Capacity assigned: Regular Capacity: 6 and School Age Capacity: 3 Discussed: keeping the retractable gate in front of the kitchen area always closed and locked, anytime a child from the program is present, to block access to kitchen and basement and the stairs, as well as the gate in the hallway next to the bathroom to block access to the bedrooms. Personal items and toiletries were observed in bedrooms at lower level.

**IMPORTANT NOTES**

\* It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.  
 \* Only the regulations marked as compliant or non-compliant were monitored or discussed.
