DISCUSSIONS/COMMENTS

No children are currently enrolled and provider works full time outside of the home. Provider will notify specialist once children are enrolled again. Provider's son and husband were present in the home during inspection. Provider stated that she brings a gate outside to block access to the deck stairs when outdoor play occurs. Supplied provider with administration of medication sample policy and updated infant safe sleep policy.

IMPORTANT NOTES

* It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
 * Only the regulations marked as compliant or non-compliant were monitored or discussed.
