DISCUSSIONS/COMMENTS

The licensing specialist observed that one cold pack was missing from the provider's first aid kit due to recent use. The licensing specialist discussed the importance of reviewing the first aid kit and replenishing used items to ensure that all required first aid supplies are available in case of injury. The licensing specialist thoroughly reviewed regulations regarding individual care plans, non-transferability of license, and transportation of children.

IMPORTANT NOTES

* It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.

* Only the regulations marked as compliant or non-compliant were monitored or discussed.
