DISCUSSIONS/COMMENTS

The licensing specialist reminded the provider that her first aid/CPR certification will expire on 5/25/2026. The licensing specialist observed 1 enrolled child was missing complete emergency care information and another enrolled child was missing a person authorized to remove the child from the child care program. The licensing specialist discussed the importance of ensuring that all enrolled children's written parent permissions are complete and up-to-date. DCFS.93190 was present during today's inspection.

IMPORTANT NOTES

* It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.

* Only the regulations marked as compliant or non-compliant were monitored or discussed.
