**DISCUSSIONS/COMMENTS**

The licensing specialist observed standing water in several pieces of outdoor play equipment after rainfall earlier in the morning. The licensing specialist discussed ensuring that all water tables and play equipment that have standing water are emptied prior to children's use. The licensing specialist observed ashes from a wood fire on a table in an area accessible to children at the far end of the provider's outdoor play area. The licensing specialist discussed ensuring the outdoor play area is free from ashes prior to allowing children to play outside.

**IMPORTANT NOTES**

- It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.
- Items left blank on this form were not monitored during this visit. Only the regulations marked as compliant or non-compliant were monitored or discussed. Providers are required by statutes and regulations to be in compliance at all times.
- **APPLICANTS –You MAY NOT OPERATE until all requirements have been met and a license has been issued by the Agency.**
