DISCUSSIONS/COMMENTS

Follow-up visit was completed today as specialist was unable to conduct a thorough inspection of the outdoor play area during change of address inspection on 2/17/2026 as it was covered in snow. Specialist was able to conduct a thorough inspection of the outdoor play area today and no hazards were observed. ****Inspection was completed as a partial inspection as mobile did not allow specialist to select follow-up as an option as change of address inspection was closed out on 2/17/2026. Per supervisor, it was okay to complete today's follow-up visit as a partial inspection instead.****
