WERE VIOLATIONS CITED DURING THIS VISIT? Yes or No?	Yes	LEVEL OF NON-COMPLIANCE THIS VISIT:	2 out of 153
DISCUSSIONS/COMMENTS			
Updates to educational plan policy meets requirements but language is not identical to OEC language due to Montessori educational pedagogy for accreditation. Professional Development policies include health and safety training requirements on online digital email sent to new staff. Checklist for 2024 policy updates completed at time of inspection. Observed one classroom to required a wall thermometer. Individual Care Plan for child from Dr. shows AuvIQ but parent-signed ICP states "epi-pen." Program to ensure parent initials for change to ICP. Candles observed on site, not to be burning when children present. Program states part of preparing space for arrival based on Montessori practices. Program currently accredited for ages 3-6 and plans to have Under 3s accredited through AMI Montessori in Fall 2026 (needs to be observed in practice for accreditation). Program to reopen an under 3 room currently unused/previously licensed. Change form received by OEC to convert space to an Under 2 classroom (4 mos up to 24 mos). The floor plan from previous OEC licensing specialist in eLicense shows the above-mentioned classroom space to be OK for 4 Under 3. Measurements taken today show room potentially OK for 8 as an under 2 classroom. Licensing specialist to research initial application on file to see previous measurements of all rooms. Under 2 Room Measurement: 40.09x18.17=728.43, Deductions 20.33x6.64=134.99 (Bathroom), 1.94x0.53=1.02 (Counter end bump out), 2.27x0.97=2.20 (Midway Bump Out), 0.5x0.95=0.47 (Window Bump out), 1.0x1.23=1.23 (Door bump out) 134.99+1.02+2.20+0.47+1.23=139.91 (Deduction), 728.43-139.91=588.52 (Total with Deductions) 588.52/35=16.81, with 1 sink and 1 toilet. Program to schedule a change inspection to approve space when all approvals are acquired and room is fully set-up/operational, including signage for diapering, handwashing, safe sleep. Program requested a New Director TA, will schedule for same day as upcoming change inspection. Program provided with inspection form with 2024 regulations highlighted.			
NOTE: * Items left blank on this form were not monitored during this visit. * Only the regulations marked as compliant, non-compliant or not applicable were monitored or discussed. * It is the operator's responsibility to ensure compliance with all local codes and ordinances.
