**DISCUSSIONS/COMMENTS**

The applicant reviewed the OEC Regulations using visual aids, including topics such as safe sleep, infant care, supervision, capacity, medication, background checks, notification of changes, and more. She received the enrollment packet, which included the Emergency Plan Form, Emergency Numbers Form, Sample Administration of Medication Policy, Infant Sleep Policy, Child Development Milestones, and the complete initial inspection packet. This packet contained information on capacity, the DC 136 Form, the Adult Medication Statement for Child Care form, 211 information, the Authorization of Medication form, MAR, and other relevant documents. The facility can accommodate six children plus three school-age children. The provider received information about the influenza vaccine. The OEC representative

**IMPORTANT NOTES**

\* It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.  
 \* Only the regulations marked as compliant or non-compliant were monitored or discussed.
