**DISCUSSIONS/COMMENTS**

The licensing specialist reminded the provider that her background checks will expire on 07/14/2026. The licensing specialist gave the provider a BCIS flyer with guidance for seeking assistance with background checks and a copy of a sample medication administration policy.  
 The licensing specialist encouraged the provider to have parents review their children's enrollment paperwork at least annually so that they can make changes to contact information as needed.

**IMPORTANT NOTES**

\* It is the provider's responsibility to ensure compliance with all local codes and/or ordinances applicable to single and multi-family dwellings. This includes but is not limited to renovation, construction or expansion of the facility as well as the installation of a swimming pool or auxiliary heater.  
 \* Only the regulations marked as compliant or non-compliant were monitored or discussed.
